Subject: WA 0-2, TD11: Towill Draft Work Plan

Hi Rob,

Attached please find a draft work plan that Towill developed that covers the tasks they've been asked to complete to-date. Please feel free to pass this along to other folks at EPA R9 as you see fit. I think you will find the document provides very helpful background, planning information that sets the stage moving forward with this work.

Let me know if you have any questions.

Thanks,

Sarah Yates
